

Dear Adda pap promised to
write you a letter so I will write a few
lines here. I want to know whether you take
good care of Theresa and how you are learning
to read and whether you mind Mother
and what times you and Charley have

Tell Mother I want her to write and
tell me all about what a good girl you
are. Tell Henry if he plagues you pap will
tend to his case when he gets home

I will send you a ring which I made
also one to mother they are not very nice
but still it is a good way to pass of the
time. I will send one to Charley when
I get another made. Be a good girl so
Mother can write about it

From pap
